## Next Stop... A PERF Pre-Retirement Workshop!

### RETIREMENT QUIZ (Circle one)

Do you intend to retire within the next 12 months?

YES NO

Have you attended a PERF Pre-Retirement Workshop?

YES NO

Save your seat on the retirement train. To begin planning your retirement journey, please complete the PERF Ticket to Retirement Response Form and send it to PERF. Once we receive your response form, PERF will provide you a reservation form and further details about the meeting you have selected. A reservation will be made for you based on your projected retirement date. If you've already registered to attend a Pre-Retirement Workshop, congratulations! We're looking forward to seeing you soon.\*

*\*You may receive these invitations until you retire. This is NOT a registration form!*

If you answered "YES" to both questions, then you are well on your way to retirement. If you answered "NO" to the second question and you intend to retire within 12 months, you should plan to attend a pre-retirement workshop in your area. We offer these classes to educate you about PERF's retirement process, give you an estimate of your benefits and answer any questions or concerns you may have.
